

## EQUIPMENT SERVICE ASSOCIATION TRAINING LIBRARY

1 Hydraulic Training Film – The Hydraulic Circuit	25 Repair & Test Series – Intra-Vane Pump VHO/VQ Single Vane	50 Stando – Crusader for Safety by Bostitch
2 Hydraulic Training Film – Hydraulic Control Valves	26 Repair & Test Series – Intra Vane Pump VHO/VQ Double Vane	51 Micro-Computers in Industrial Control Systems
3 Hydraulic Training Film – Hydraulic Fluid	27 Repair & Test Series – Piston Pump-PVB	52 IBM – Its Your Business
4 Hydraulic Training Film – Hydraulic Systems Troubleshooting	28 Repair & Test Series – Pressure Control Valve “R” Type	53 Introduction to the Internet
5 Basic Hydraulic Sealing I	29 Repair & Test Series – Relief Valve CT	54 Power Talk – Audio
6 Basic Hydraulic Sealing II	30 Repair & Test Series – Round Pump 104	55 Behavioral Based Interviewing
7 Pneumatic Training Film I	31 Tubes ‘N’ Hoses – Fluid Lines of the Future	56 Hydraulic Training Film – Basic Hydraulics I
8 Pneumatic Training Film II	32 Remanufacturing – Another Life of Service	57 Hydraulic Training Film – Basic Hydraulics II
9 USA Training – Pressure Controls	33 Deadal – Special Standards	58 Fluid Power Fundamentals – Contamination Control
10 USA Training – Directional Flow Controls	34 Diagnosing Gear Pump Failures	59 How to Improve Your Memory – Audio
11 USA Training – Fluids, Filters, & Reservoirs	35 Silent Vane Pumps	60 Word Power – Business Vocabulary – Audio
12 USA Training – Hydraulic Pumps, Pumping Principles, & Accumulators	36 Principles of Machining – The Machine Tool (Tape #1)	61 Assertiveness for Success – Audio
13 USA Training – Variable Volume Hydraulic Pumps	37 Principles of Machining – Cutting Tools (Tape #2)	62 Effective Team Building – Audio
14 USA Training – Actuators	38 Principles of Machining – Tool Life: Measurement Control (Tape #3)	63 ESA Tech Meeting 2004 Presentations: Martin Fluid Power, PERMCO, Milwaukee Hydraulics and Racine Hydraulic Tools
15 USA Training – Hydraulic System Troubleshooting	39 Principles of Machining – Machinability (Tape #4)	
16 USA Training – Electro Hydraulic Servo Systems	40 Principles of Machining – Milling I (Tape #7)	
17 USA Training – Centrifugal Pumps	41 Principles of Machining – Milling II (Tape #8)	
18 Repair & Test Series – Square Vane Pumps V200	42 Principles of Machining – Grinding I (Tape #11)	
19 Repair & Test Series – Vane Motor M2-200	43 Principles of Machining – Grinding II (Tape #12)	
20 Repair & Test Series – CMC Valve	44 Power Team – Servicing the Reciprocating Air Pump	
21 Repair & Test Series – Combination Pump VC	45 Enerpac – Safety: The Most Important Force	
22 Repair & Test Series – Directional Valve DG4-DB5	46 Enerpac – Safety and Usage of Equipment	
23 Repair & Test Series – Flow Control Valve FG	47 Brock Equipment Company Presents Dissassembly and Assembly of the 12 Ton Compression Tool	
24 Repair & Test Series – High Performance – Vane Motor	48 Ingersoll-Rand Proper Use of Automotive Power Tools	
	49 Hand Tool Safety
